

Casual Disability Support Workers

Multicap, established in 1962, is recognised as one of Queensland's leading providers of services for people with disabilities who have complex support needs. Multicap works in partnership with individuals, families, community organisations and government to achieve valued lifestyles for people with disabilities.

A fantastic opportunity exists for a number of **Disability Support Workers** to join our team on a casual basis. Vacancies are available in Brisbane's Westside, Northside and Southside areas and on the Gold Coast, in Rockhampton, Mackay and Toowoomba.

The main aim of this role is to **support and assist people with a disability in their living and/or community environment**. Multicap is looking for dedicated people who are genuinely committed to supporting inclusive lifestyles for people with a disability.

Ideally you would possess some experience and knowledge in the provision of disability services to people with complex needs. In-service training and professional development will be provided.

To apply, simply complete an Application for Employment Form, attach your resume and send to the Human Resources Department at Multicap.
