

Business opportunity to help Multicap by selling Art Union tickets.

The Art Union is an important part of Multicap's fundraising to support the programs, equipment, and capital works to complement the services provided to people with multiple disabilities in our community.

If you own your own vehicle and have an ABN, you can become a Multicap Art Union ticket seller to earn extra money and help others. The Multicap Art Union has a statewide reach including greater Brisbane, Sunshine Coast, Gold Coast, and Darling Downs.
