Loganholme Man Wins Art Union

Loganholme local is the latest winner of leading disability services provider Multicap's Art Union car giveaway, drawn in August 2009.

David Hill was stoked to drive away a brand new Toyota Kluger.

David has been a proud supporter of Multicap's Art Union for the last three years, which helps improve the quality of life for clients with multiple disabilities by providing much needed funds for activities, programs, equipment, capital works, and much more.

Multicap Chief Executive Officer Joanne Jessop said it is always wonderful to share such great news with the winner.

"It was great to hand over the keys to his new car to David, a Loganholme local, at our registered office just up the road in Eight Mile Plains", Ms Jessop said.

"David was, to say the least, over the moon and just kept saying it was unreal and great to be able to celebrate supporting people with disabilities with such an awesome first prize", she said.

Multicap is a leading non profit disability services provider, established in 1962, that provides creative and sustainable support options and services for people with multiple disabilities, and their families and carers, in Queensland.
