### **Southside Singers Perform**

The Multicap Southside Singers warm up their voices for a once-in-a-lifetime performance at Government House Open Day on Saturday 6 June.

The performers, a choir of talented musicians with a disability, will perform for visitors to Government House as part of Queensland's 150th birthday celebrations.

Multicap Chief Executive Officer Joanne Jessop said she was thrilled for the Southside Singers to have the opportunity to take the stage and show off their talents to Queensland.

"This event provides an opportunity for people with disabilities to showcase their talents and gives Queenslanders a chance to find out what Multicap can do to help our musicians," she said.

"Thanks to the Gambling Community Benefit Fund we have been able to purchase essential sound and staging equipment required for our Southside Singers' performance."

Multicap and Monte Lupo will be hosting a stall at the community fair which will be held in the grounds of Government House as part of the Queensland Day celebrations.

Multicap is a statewide non profit organisation, established in 1962, that provides creative and sustainable support options for people with multiple disabilities, and challenging and complex behaviours, their families and carers in Queensland.
